

## SAVE THE DATE

### 2013 ANNUAL CANS CONFERENCE [Hilton San Francisco Financial District](#) November 3 - 5, 2013

The goal of this year's conference will be to assist in the development of specific skills involving the full use of Total Clinical Outcomes Management (TCOM) and its associated measures (The Child and Adolescent Needs and Strengths (CANS), The Family Advocacy and Support Tool (FAST), Adult Needs and Strengths Assessment (ANSA)). **There will be three tracks--clinical track** for people who work in direct service. This track will include workshops on the use of these tools in treatment planning, trauma-informed care, strength-based work, integration with various evidence-based practices (e.g. motivational interviewing, collaborative problem solving). The second track will be a **program management and supervisory track** which will include workshops for supporting staff development and managing effectiveness. The third track will be designed for **system administrators** which will focus on the use of information collected with these tools to support system management, design and evolution.

With the learning tracks and an array of expert-led educational workshops and keynote speakers, this three day conference will provide an excellent opportunity for professional development for people involved at all levels of the system.

**Stay tuned for more announcements.**
